RIVERSIDE'S CITRUS GOLD

Mission Inn Museum

When the navel orange was introduced to Riverside in 1873, this "Golden Fruit" ignited a second Gold Rush in California due to its popularity. Join the Mission Inn Museum to celebrate the citrus culture of Riverside and create your very own Orange Crate Label! These labels were used to identify the companies that grew and sold oranges and other citrus fruit in Riverside. Using colorful rubber stamps and other decorations, you can create a label that represents you! Be sure to join us at 2:30pm to hear about fun projects you can make at home using citrus fruits! Fresh oranges from Gless Ranch, a 115 year old Riverside citrus grower, will be provided as a snack while you make your craft.

AHOY & SHIVER ME TIMBERS!

Riverside Art Museum

Ahoy and shiver me timbers! The Riverside Art Museum isn't at sea, but don't tell our pirates! Bring one and all to the Riverside Art Museum and be prepared to batten down the hatches, because our pirates are ready to show-off their skills! There will be map-making, story time with Karen Rae Kraut at 2:00, lessons in pirate history, games, crafts, and more! Be assured, no one will be walking the plank - our pirates are friendly and waiting to meet you!
